

**WINTER MEETING IN ELLIVUORI SKI CENTER
MARCH 1st 2026 AT 10.00 – 17.00**

Rotary Youth Exchange organizes a Sunday afternoon meeting in Ellivuori Hotel and Ski Center for the IB exchange students living in the District 1410. Also host families and host clubs are welcome (and especially appreciated for transport).

The meeting will be held on March 1st 2026 and is organized by Vammala Rotary Club.

Ellivuori Ski Center locates in Sastamala about 40 kilometers west from Tampere, in a beautiful national landscape.

During the day, you will have a chance to meet other exchange students of our district. You will learn to ski on the beginner slopes or, if you are a more experienced skier, you can ski on the more advanced slopes. If you don't want to go skiing, you can just enjoy fresh outdoor afternoon with friends. On top of the hill, you can enjoy refreshments and sausage by a living fire in a hut. If needed rotary members take you to the hill top. Later we will have a lunch in Hotel Ellivuori.

Please borrow ski equipment from your host family or friends if possible. If you don't have your own ski equipment with you, we'll take you to Ellivuori ski rental. When registering, tell us if you need to rent the equipment. Ski goggles are not included in the equipment package and they can not be rented – please try to find someone you can borrow them from and bring them with you even if you will rent other equipment.

Your host club will pay for your winter meeting (including transports). Show this letter to the Youth Exchange Officer of your host club and to your host family and tell them that you want to participate.
