Dear rotarians!

I started my governor year in July through Tallin RC's 21 year old tradition. At the same time I supported Paul Harris' idea of planting a tree by getting the chance to do so in Tallin! A brotherly thank you for organizing a joint handover of the president chains ceremony and for inviting me to be there with you, PP Ulf Rosén and Tallin RC.

August is the month of strengthening memberships and celebrating all club members. Hopefully the warm weathers of the summer season and some spare time has cheered everyone up and lead to new ideas and actions.

You can otherwise have a positive effect on the visibility of Rotary by editing your Facebook profile though the following link:
