## THE MONTH OF THE ROTARY FOUNDATION

Rotary dollar = 0,90 €

### Dear rotarians!

The governor year's club visits are in progress. You can get information from assistant governors on the schedules and locations of the club visits if questions arise. I'm hoping the only program will be the meeting of the board followed by the DG's visit in order to discuss and deal with everything necessary according to schedule.

I have visited thirty-three clubs and my experiences have varied. I'm collecting material to support my conclusions. However, most of the clubs' messages about questions regarding their operations have been similar.

For us rotarians, September is the month of basic education and literacy. The theme is also suitable for us because you have an opportunity to collect additional information with the help of the rotary-training arranged by the district.

It consists of three divisions ( Me as a rotarian, my rotary club and the divergent rotary-world) and is open to all rotarians. Additional information found in the link attached and there is still room for new members to join.

## THE MONTH OF THE ROTARY FOUNDATION

**Pay attention to the important dates, the information is given to you in the monthly-letters.**

To me, the entire September means club visits, which will all except a few be done during this month. Thereafter, I will focus on arranging the events together with the team.

We now have the possibility to have an effect on Polio becoming the second disease diagnosed in the world that the mankind has gotten rid of simply with vaccinations. The first one was smallpox!

In our operation, we have to emphasize the thought that Rotary doesn't compete with the family but reinforces it just right. A rotarian can not be put in a situation where they must choose between Rotary and their family. Our expectations must be realistic considering the fact that in our schedules both our families and children must be welcomed to all events that we organize as rotarians.

**Remember to ask me or assistant governors for dinnercards to the EPN-gala.** Then you can join us to a exquisite event organized by the foundation committee together with the governor club.

**Rotary is FUN!**

## Dear rotarians!

Once again, it is time to plan rotating the Rotary-wheel and consider who we could elect as the new District Governor for D1420.

In question is Rotary-Year 2022-2023. Attached to the email is a form, which Rotary-club must fill out and get it confirmed with a signature from the club president and –secretary when recommending their own candidate.

Discuss in your clubs and boldly nominate a person with the required experience for the task. Remember to ask for their consent!

Based on my experience can I say that the path to the governor-year is unforgettable and it gives you more than it takes.

Applications in a sealed envelope with the following address, at the latest 10.12.2019:

**DG Tommy Wegge**  
Hallonnässtranden 4 B 14

Write on the envelope: "Governor application"
