Dear rotarians!

The Governor visits in the Finnish clubs are done. In Estonia, I've visited five clubs.

Christmas is a celebration of giving, also to us as rotarians. I remind you of the opportunity to direct a donation through TRF to the object you choose. We have the opportunity to direct our help as the monthly theme says towards preventing diseases and telling about it in for instance your Christmas or New Year's greetings.

Due to the lack of qualified applicants, we have extended the application time and I am now asking the clubs for suggestions for the 2022-2023 District Governor. In the application, applicants personal information, jobs, education, language skills (good Swedish and English), hobbies, the activities in the Rotary club, -district, internationally etc. Requirements and obligations are found in the Rotary manual of procedure, at 16.010-16.030. Applications shall be sent in sealed envelopes by 31.01.2020 to the following address:

DG Tommy Wegge

Hallonnässtranden 4 B 14

00210 HELSINGFORS

Note on the envelope: "Governor application"
