Governor Proposals for term 2024–2025

In line with the Rotary International (RI) bylaws, it is time to launch the application process for the post of Governor for the year of 2024-2025. To choose a District Governor-Nominee (DGN), I hereby ask the clubs to submit their proposals using the form found on our website at address x. A club can only propose one of their own members for this position. The Governor is an official of the RI and his/her required qualifications and duties are defined in the RI bylaws. All the necessary information is found in the RI-published Manual of Procedure that includes all the current Rotary regulations and directives.

The DGN must be an esteemed Rotary in their own club and they must have acted as club president for an entire term. In addition, the nominees must be motivated and ready for all Governor duties. The form must be signed by the president, secretary, and governor-nominee. I request all proposals to be sent by **Monday, January 31, 2022** to this address: DG Raine Nikander Karikuja 3 03250 OJAKKALA. Please mark the envelope with "GOVERNOR PROPOSAL" marked "CANDIDATE FOR GOVERNOR"

A third wave of the corona pandemic, in the form of the omicron variant, is underway in Finland, Estonia, and elsewhere in Europe.

All I can do is to recommend following official regulations and acting responsibly, as us Rotaries have dutifully done thus far.

I thank all the rotaries in our district for their solid activities in these challenging times.

To all our district's rotaries and their loved ones, I wish a very Merry Christmas and a Successful New Year.

ROTARYDISTRICT 1420

GOVERNOR'S MONTHLY LETTER

D1420 2021-2022, DG Raine Nikander, Southern Finland and Estonia

Our district's social media campaign was launched

The Communications Committee has planned an advertising campaign on social media. Its purpose is to make our work more known and expand the image of Rotarians. In addition, we want to attract new people to our wonderful activities.

Our activities are told in interesting stories from the Rotarians themselves. Six Rotarians from Uusimaa and Estonia will take part. Our target group is people around the age of 40 who live in our district. Ads are displayed on Facebook and Instagram. We will make sure that Google search helps us find information better than we do now.

Trainings

District Management Training Seminar

12.2.2022 Tallinn AGs and chairmen of district committees

DGE

Training Committee
