Check out our YouTube channel

As you may know, our district has its own YouTube channel. You can find it by opening YouTube in your browser and searching for "Rotarypiiri 1420" or directly from this link [Rotarypiiri 1420 - YouTube](#).

There you will find many interesting videos about our End Polio project, our Foundation and our training events. The latest addition to our channel is an introductory video of our district presented by IPDG Sakari at the last district conference. It can well be used, for example, to recruit new members.

Would you like ShelterBox as a presentation for your club meeting?

Now you can get ShelterBox as a presentation for your club meeting. The meeting can be held in any form, and the language of the presentation can be agreed. The topic can be, for example, "Current Grant Projects," "Considering Environmental Issues in Grant Projects," or a topic chosen by the club. Contact Tapio Vihersaari, tapio.vihersaari@shelterboxtuki.fi, tel. +358 400 335 358.

Proposals for District Governor 2024–2025

According to the rules of Rotary International (RI), it is time to start applying for the position of District Governor for the rotary-year 2024-2025. For the election of the District Governor-Nominee (DGN) I am asking proposals from clubs using the form found on MyRotary.

A club can only nominate its own member for this position. The District Governor is an RI official and his/her requirements and duties are set forth in the RI Bylaws. All necessary information can be found in the RI Manual of Procedure, which contains up-to-date Rotary regulations and operating instructions.

A candidate for governor must be a respected rotarian in his/her own club and must have served as President of the club. In addition, he/she must be motivated and ready for all the duties of a governor.

The form must be signed by the club President, Secretary and the candidate for Governor. I request proposals by Friday, December 10, 2021:

DG Raine Nikander, Karikuja 3, 03250 OJAKKALA. Envelope marked "CANDIDATE FOR GOVERNOR"

Our district's social media campaign will start in November

The Communications Committee has planned an advertising campaign on social media. Its purpose is to make our work more known and expand the image of Rotarians. In addition, we want to attract new people to our wonderful activities.

Our activities are told in interesting stories from the Rotarians themselves. Six Rotarians from Uusimaa and Estonia will take part. Our target group is people around the age of 40 who live in our district. Ads are displayed on Facebook and Instagram. We will make sure that Google search helps us find information better than we do now.
