# RI pres 24-25 Stephanie Urchick

Stephanie on McMurrayn rotarklubin jäsen Pennsylvaniasta. Hänelle rotary ja rotarit ovat kuin oma perhe. Stephanie on ollut mukana lukuisissa isommissa ja pienemmissä projekteissa useassa eri maassa.

RI:n tulevan kauden tavoitteisiin kuuluu Stephanien mukaan lisääntyvä panostaminen rauhantyöhön, katastrofien hoitamiseen ja kansojen välisen yhteisymmärryksen lisäämiseen. Polion hävittämisessä uskotaan oltavan loppusuoralla ja tavoite on, että 2026 polio olisi nujerrettu. Ensi vuonna on juhlavuosi, täyttäähän Rotary International silloin 120 vuotta.

# RI pres 24-25 teema

It's simply *The Magic of Rotary*. People can put any verb they want in front of it. *Believe* in the magic of Rotary. *Spread* the magic of Rotary. *Build* on the magic of Rotary. *Celebrate* the magic of Rotary. There are all kinds of words that we can use. It came from a visit to the Dominican Republic. We were helping install a water filter in a home where a grandmother, a mother, and three little boys lived. We assembled the water filter and then put dirty water in it so that the family could see that it came out clean. The women learned how to use the filter, and we were getting ready to leave when one of the children grabbed my sleeve and said, "Show me that magic again." That caught me, and I thought: It is magic. We're helping create a change in their lives.

# MAKE CONNECTIONS

- + ATTEND CLUB MEETINGS AND EVENTS.**  
Introduce yourself to members in your club to get to know them better. Being genuinely interested in others shows people you value them, and these small interactions can lead to lasting friendships.
- + JOIN A ROTARY FELLOWSHIP.**  
Meet others with similar interests by joining a [Rotary Fellowship](#), an international group of people with a common hobby, identity, culture, or vocation. This is a fun way to make friends and explore a pastime or profession.
- + CREATE A MY ROTARY ACCOUNT.**  
When you register for a [My Rotary account](#) and create a profile, you can access Rotary's online tools and locate and connect with members near and far using the [Find a Member](#) tool.
- + JOIN A ROTARY ACTION GROUP.**  
These include people around the world who have expertise and passion in a particular area, such as economic development, education, the environment, or safe water. Join a [Rotary Action Group](#) to share your knowledge, develop your skills, and make professional and personal connections.
- + ATTEND DISTRICT MEETINGS AND EVENTS.**  
Clubs are grouped into more than 500 districts worldwide. By connecting with other clubs and leaders in your district, you can learn how to get involved in Rotary beyond your club and make a greater impact.
- + PARTICIPATE IN A ROTARY FRIENDSHIP EXCHANGE.**  
Experience different cultures and build international understanding and friendships. This program for Rotary members and friends prioritizes cultural immersion, international service, or vocational exchanges. [Friendship Exchange](#) participants take turns hosting one another in their homes and clubs.
- + GET INVOLVED WITH CLUB INITIATIVES.**  
Volunteering to take part in a project, attend a meeting, or serve in a club role, such as being on a [committee](#), will let you work with others in meaningful ways and contribute to your club's impact. You can also suggest speakers from [service and project partners](#) or from other organizations that share Rotary's values. Ask your club how you can help.
- + ATTEND A PROJECT FAIR.**  
Meet people with whom you can collaborate on international projects. [Project fairs](#) typically last two or three days and can include visits to project sites as well as opportunities to experience the local culture. These activities let visitors learn about the community and build long-lasting relationships with their hosts.
- + VISIT ANOTHER CLUB.**  
You can locate Rotary and Rotaract club meetings to attend using the [Find a Club](#) tool. You might think of ways to collaborate on club activities or hear of an idea you want to try with your club. Visiting other clubs fosters new connections and inspiration.
- + ATTEND THE CONVENTION.**  
The [Rotary International Convention](#) is held in a different international city each year. You'll meet members from around the world, learn how to expand our impact, and enjoy inspiring talks from global leaders, celebrities, and activists.

# PARTICIPATE IN MEANINGFUL SERVICE

- + **SUPPORT YOUR CLUB.**  
You can help your club thrive by offering your expertise and skills through serving as a club officer, as a committee member, or in another role.
- + **PARTICIPATE IN LOCAL SERVICE ACTIVITIES.**  
Find out what projects your club, neighboring clubs, and your district are working on and volunteer for one or more. Work with partners or conduct a [community assessment](#) to identify projects that would benefit your local area.
- + **PARTICIPATE IN INTERNATIONAL PROJECTS.**  
Many clubs partner with clubs in other parts of the world to address a need in one of their communities. Together, they have more time and funding, as well as the expertise of members, partners, and Rotary program alumni to bring about sustainable, positive change. [Find a project](#) and get involved.
- + **USE YOUR PROFESSIONAL EXPERTISE.**  
Many districts have a [district resource network](#) of local experts who can use their experience, technical knowledge, and project-planning skills to assist clubs in the [design and implementation of meaningful projects](#). Contact your district international service chair to offer your skills to mentor clubs and improve communities.
- + **SUPPORT AN INTERACT CLUB.**  
Interact clubs bring together people ages 12-18 to develop leadership skills while participating in service. If your club sponsors or co-sponsors an [Interact club](#), you can help empower Interactors to make a difference in their communities and globally by supporting their service-learning projects.

- + **USE YOUR SKILLS WITH A ROTARY ACTION GROUP.**  
Use your professional skills to make a sustainable impact locally and globally through one of Rotary's more than 25 action groups. By leveraging people's expertise and our global network, [Rotary Action Groups](#) help clubs and districts plan and implement meaningful, large-scale humanitarian service projects.
- + **APPLY FOR A GRANT.**  
If your project meets certain requirements, it might be eligible for funding from The Rotary Foundation. Explore the [grant types](#) and find one that's right for your project.
- + **JOIN THE EFFORT TO ERADICATE POLIO.**  
Raise awareness about Rotary's work to end polio, donate to the PolioPlus Fund, or volunteer for a National Immunization Day. Post about polio on social media or include a link to [endpolio.org](#) in your email signature. [Write to us](#) to learn about upcoming trips for NIDs.
- + **SUPPORT ROTARY'S CURRENT WORK.**  
You can do this by [giving to The Rotary Foundation](#), which sustains thousands of projects in your community and around the world. The Foundation supports projects and programs that transform lives by addressing poverty, disease, conflict, and lack of education and water.

# BECOME A LEADER

- + **SHARE YOUR IDEAS WITH YOUR CLUB.**  
You can help your club achieve its goals, improve its projects, and enhance the member experience. Clubs can evolve by being receptive to new and diverse perspectives, and your suggestion could become the next big initiative in your club or community.
- + **EXPLORE LEADERSHIP COURSES.**  
Use Rotary's Learning Center to improve and practice your skills. Rotary's [professional development courses](#) include topics such as resolving conflict, public speaking, and networking. You need to have a My Rotary account, so be sure to [register](#) if you haven't already.
- + **GIVE A SPEECH AT A CLUB MEETING.**
